Re: Application of Advance Relocation and Storage Systems, Incorporated for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2019-67-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in this docket. ORS has reviewed the Application and conducted an inspection of the Applicant's records and equipment. Based on this inspection and review, ORS believes that the Applicant will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133.

Should the Applicant prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Statutes, Regulations and any conditions of the Commission Order prior to the issuance of such Certificate.

Please take note that Tom Allen, the Director of the ORS Safety, Transportation, and Emergency Response Division will attend the Commission hearing scheduled in this matter should the Commission have any questions concerning ORS's review and inspection of the Applicant.

Thank you for your consideration in this matter.

Sincerely,

Jenny R. Pittman
